RULES AND REGULATIONS OF THE COOS COUNTY FAIR & RODEO

The following rules and regulations become a part of the contract of each exhibitor, licensee, concessionaire and every other person having contractual relations with the Coos County Fair. Special rules take precedence over general rules, if there is a conflict.

The Coos County Fair Board reserves the final and absolute right to interpret these rules and regulations and arbitrarily settle and determine all matters, questions, and differences in regard thereto, or, otherwise arising out of, or connected with or incidental to the Fair.

Payment of premiums is contingent upon the availability of funds for distribution at the Coos County Fair.

1. The general supervision of the grounds and entire exhibition, including entries, booths, concessions, arrangement of exhibits, and all details, is vested in the Fair Board.

ELIGIBILITY

2. All departments except Llamas and Exotics, 4-H and FFA, are open to all counties and states.
3. All static (still, non-livestock) exhibits must be made by the exhibitor and finished within the past year, since the last Fair. No unfinished articles will be accepted.
4. Only the owner or lessee may exhibit an animal, which must be entered in his/her name.

NOTICE

- 4-H and FFA members shall not exhibit the same livestock, excluding horses, in both 4-H or FFA divisions and open classes except for non-premium championship classes.

OPEN CLASS ENTRY PROCEDURE

5. Entry Forms are available in the Exhibitors Handbook, at the Fair Office, and the OSU Extension Office in Myrtle Point, online at
6. <http://www.cooscountyfair.com/>
Visit County website; Departments; Coos County Fair, or <https://extension.oregonstate.edu/coos/> See the "How to Enter" section following the Rules and Regulations.
6. A separate Entry Form should be completed for each Department. Pre-Entry is encouraged for all Departments and mandatory for all animal entries. Pre-Entry forms submitted on or before the closing date as noted on entry forms for each department allows for preparation of accommodations for livestock and other animals and for preparation of information for the fair exhibit process.
7. Every entry will be issued an entry tag which identifies the Exhibitor by ID number and the class by number and description, and sub-division, if any.

Each entry tag will be placed with each exhibit according to the requirements of the superintendent of the department.

Entry tags may be printed out for all pre-entries.

ENTRY DEADLINES

8. ENTRY DAYS are during fair week for all exhibits, with Pre-Entry required for all livestock and animal entries and preferred for static entries. Entry fees are required for animal entries, must accompany the completed entry form and be postmarked and/or received by the deadline posted.

The Pre-Entry Closing Date for LIVESTOCK is **June 15** to allow for planning and preparation of space and penning (accommodations). Entry fees are required to provide for livestock bedding and feed for rabbits and poultry. Pre-entry is required for some entries in which there are space limitations, such as Booths and recommended for Table Settings. There are no entry fees for non-livestock entries unless specified.

- LATE ENTRY FEES will be charged on Livestock and animal entries made after the Pre-Entry Closing Date.

- LATE ENTRY ACCEPTANCE is based on space available and superintendents approval.

- ENTRY TIMES during Entry Days at the Fair are listed on the Exhibitors Schedule in the Exhibitors Handbook and online.

(For Open Class Horses, see Department for Horses and Horse Entry Forms and Exhibitors Schedule)

The Fair's public liability does not cover exhibitors; therefore, each exhibitor is responsible for any loss, injury or damage done to, or occasioned by or arising from, any animal or article exhibited or owned by that exhibitor, and shall save, free and harmless the Fair, its' officers, board and employees, from any claims for damage or loss, either to person or property, from all and ever cause whatsoever.

LIVESTOCK RULES and REGULATIONS

NOTE: Area Veterinarians DONATE their time FOR ORGANIZATIONAL and CHECK-IN purposes. If an exhibitor requires the services of a veterinarian during the Fair, the responsibility for payment to that veterinarian is that of the exhibitor.

NOTICE

- 4-H and FFA members shall not exhibit the same livestock, excluding horses, in both 4-H or FFA divisions and open classes except for non-premium championship classes.
1. All animals must be in their stalls by 8 pm on Livestock Entry Day, unless stated otherwise in the department rules or otherwise posted by the Fair Office. No animals will be removed before the Exhibit Release Time listed in the Exhibitors Schedule. Livestock trailers and trucks are required to have a **PARKING PERMIT ISSUED FROM THE FAIR OFFICE** and park in assigned areas. Use the application for **TRUCK/TRAILER PARKING PERMIT: Horse/Livestock/Trailer/Truck Parking Permit Application.**
 2. To avoid congestion on the Fairgrounds on entry day, all livestock must enter through Leep's field gate and will be inspected by a veterinarian in the unloading area.
 3. All cattle, sheep, goats, llamas and swine are to be unloaded, as directed, at the appropriate receiving stations, between 7:30 am and 8 pm, on Livestock Entry Day. No Livestock to be delivered on the Opening Day of Fair. Any exceptions to these delivery hours shall be cleared by the department superintendent and the exhibitor

- shall be responsible for obtaining the services of a veterinarian to inspect the animals prior to their entry into the livestock barn. While the Fair provides the showcase situation allowing for exhibitors to show the animals as best they can, it also represents some real risks. Combining many animals from different sources in a place unfamiliar to those animals, along with the stresses that result, creates a high risk situation for the spread of infectious diseases. For the benefit of your own and others animals, it is required that all Fair animals be on the best health/immunity/preventive regime possible, including vaccinations, feeding and management. Because every situation is unique, it is recommended that the exhibitor work out a preventative program with a veterinarian and 4-H or FFA advisor. Many vaccination programs must begin weeks or months in advance of the Fair. A clinical inspection will be made of all animals and poultry upon arrival. Any animals and poultry showing clinical evidence of disease may be refused entry. Diseased animals must be removed from the Fairgrounds. It should be noted that the inspection will include, but not necessarily be limited to these areas: CATTLE (BEEF & DAIRY, EXOTIC CATTLE) respiratory disease, ring worm, warts pinkeye LLAMAS: respiratory disease, skin and foot diseases SHEEP & GOATS: abscesses, foot problems, respiratory diseases, pinkeye, skin disease, sore mouth SWINE: warts, lice, respiratory disease.
5. Animals or poultry which develop disease conditions during the course of the Fair are to be removed from the premises with permission from the Superintendent. Animals or poultry injured during the Fair will be reviewed by a veterinarian and the Fair Board representative to determine release from the Fairgrounds.
 6. Livestock Barns will be closed to the public, exhibitors, and anyone else not expressly authorized by a department superintendent from 10 pm till 6 am. Please respect the need for rest by our livestock.
 7. Any exhibitor attempting to show his or her animal under false or irregular registration papers or refusing to show the registration papers will be barred from exhibiting.
 8. Livestock exhibitors are limited to no more than two monies (2 premiums) in each class.
 9. No person having entered anything for competition will be allowed to withdraw or change the entry after the opening day of the show except with the permission of the management.
 10. All exhibits will be under the control and direction of the management, but the Fair Board will in no case be responsible for any consequential or other loss, injury or damage done to or occasioned by or arising from any animal or other article being exhibited or any unspecified other condition or incident on the fairgrounds.
 11. After having properly entered their exhibit, exhibitors must themselves see to the delivery to the proper department so exhibits may be in place, correctly ticketed and ready for competition by 10 AM the first day of the Fair. Exhibitors are likewise required to attend to their animals while on exhibition and answer such questions as the judges deem essential to a correct estimate of their relative value. All animals occupying exhibit stalls must be at all times kept thoroughly groomed, cleaned and in show condition. Stalls and pens must be neatly kept and supplied with necessary bedding. Pathways and approaches must be kept clean for the spectators. Manure and waste must be deposited in designated areas.
 12. Both halters and neck ropes will be required for all cattle. Sheep, Goats and Llamas must be under restraint, secured by halters or collars, when moved outside pens. All animals shall be moved and tied to the department superintendent's satisfaction with the safety of the general public, exhibitors and animals as a primary consideration.
 13. Spray nozzles or shut-off valves will be used on all wash rack hoses. Water use shall be kept to a minimum.
 14. NO ENTRY FEES WILL BE REFUNDED WITHOUT VETERINARIAN'S WRITTEN AUTHORIZATION.
 15. All cattle, including calves old enough to vaccinate, must meet current Oregon State brucellosis requirement. Area Veterinarian strongly recommends BANGS vaccine.
 16. SHEEP: All sheep originating within twenty (20) miles of confirmed blue tongue outbreak will be required to have been vaccinated no less than thirty (30) days or more than eighteen (18) months prior to entry.
 17. SHEEP: A Scrapie tag with point of origin is required on each sheep. Scrapie tags are available through ODA. For information check online with ODA or the Oregon Sheep Growers Association.

OPEN CLASS EXHIBITS **STATIC EXHIBITS**

HOW TO ENTER

You will need to check your Exhibitor Number or obtain an Exhibitor Number prior to submitting exhibits –if you do not have one currently you can get one in the Oaks Pavilion.

Exhibitors entries are very important to the Fair. It is helpful if the exhibitors fill out their entry card tags early. Some exhibitors prefer to fill out the entry tags in the comfort of their own home and some use their return address labels to complete the identification section of each tag. Entry tags already complete or nearly complete when submitted to the department on entry day speeds up the process

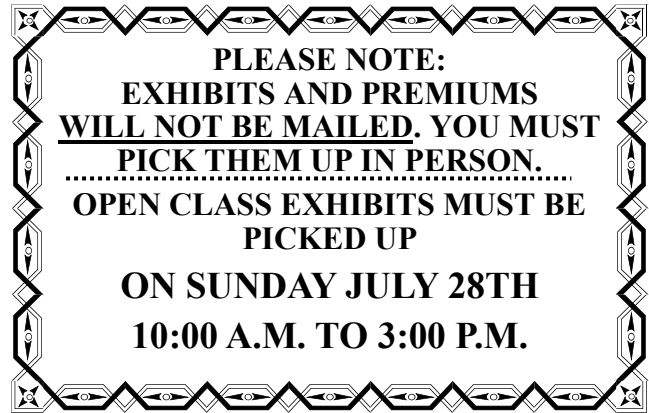

greatly and reduces the lines and waiting. If the following entry procedures aren't clear and assistance is needed to complete entry tags, please seek assistance from fairgrounds staff.

1. To enter the Coos County Fair, obtain ENTRY TAGS at the FAIR OFFICE in Myrtle Point or online. One Exhibitor Number per exhibitor. The Exhibitors Numbers are permanent, beginning with those issued in 2002 and assigned to those who exhibited the prior year.
2. Livestock entries must be made on entry forms that are in the Exhibitors Handbook at the Fair Office. on the Entry Form or online. Be sure to look for livestock entry deadlines listed
3. Enter your Exhibitors Number on the Entry Tag.
4. Print your Name and Address on the Entry Tag, or affix your return address label, making sure that the Exhibitors Name is the same as the one assigned the Exhibitor number.
5. In your Exhibitors Handbook, under the Department, find the Division and class you are entering and write the Division and Class on the Entry Tag.
6. Fill out the Claim Check end of the Entry Tag, which will be given to you when you enter your exhibit and will be used to identify your claim to the exhibit when you return to retrieve it after the Fair.
7. CANNED GOODS TAG: A separate type of Entry Tag, a self adhesive round ID tag, is used for canned goods only. The round label is to be placed on the lid, under the ring.
8. PHOTOGRAPHS and ART: use standard entry tags.
9. Bring your entries on the Correct Entry Day. See Entry Dates and Times. A clerk in each Department will check over your tags and give you the Claim Check stub portion of your Entry Tag before you leave your entries.
10. Entries may not be picked up until the Exhibit Release Time, listed in the Exhibitors Schedule.
11. Entries should be picked up from the department soon after exhibits are available for release. Exhibits not picked up within two hours of release may not remain in the exhibit building.

FRESH

SALSA MAKING CONTEST

Salsa (which literally means sauce in Spanish) can be traced back to the civilizations of the Aztecs, Mayans, and Incas. The Aztecs were one of the first peoples to domesticate the tomato. Their original sauces were a mix of chiles, tomatoes, squash, and beans, among other ingredients. The Aztecs passed these traditions on to later cultures in Central America and eventually the United States. *

TIPS: HOW TO GET THE BEST FLOWERS FOR THE SHOW

Cut the flowers early in the morning of entry day. Most flowers should be cut as they are just three-quarters (3/4) open. Cut stems at an angle, and plunge immediately into very warm water (up to 120 degrees). Leaving the blooms in the warm water, put them in a cool place at least 3 hours. Stem ends of woody plants should be gently crushed. Bring the flowers to the Fair in a bucket of water. No leaves below the water line. Have all flower stems and foliage disease and pest-free and clean. Flowers such as rose, dahlias and chrysanthemums should be de-budded early so no scar or stub is visible. Gladiolas should have 5 to 7 florets open, none removed: long, stiff straight stem and foliage. May wedge with piece of stem to keep straight in vase. Lilies should have many large blooms per stalk: no pollen strains. Dahlias - Must be shown with 1 - 2 leaves. Must be de-budded leaving no scars.

 - c. Roosters/Cockerels and Pigeons must be in a cage by themselves. 1 per cage
 - d. Example of a member's chicken cage needs: **4 Bantams Entered – Need 3 cages small.** Because one is a rooster and he needs his own cage, two are hens that get along so they can cage together but the third hen is mean so she needs her own cage! = 3 small cages.
 - e. We do NOT need your reasons for why you need cages like in the example in d. We also do not need to know the sex of your birds. Just do the best you can to get the cages you need to safely house your birds.
 - f. If you have any specialty birds you'd like to bring but not sure of cage requirements call the Poultry Barn Superintendent. We love having the variety of birds our exhibitors bring!

Coos County Fair & Rodeo Map

2024 Grand Marshals — Rhonda Altenbach

Rhonda has been attending the Coos County Fair for over 50 Years. She began her involvement as a first-year junior by showing her pony, Cocoa, in 4H horse competition. Rhonda was very successful at the Coos County Fair and went on to win many championships at the county level as well as competing at the Oregon State Fair. In 1981, Rhonda started a family tradition by becoming the Coos County Fair Queen. Her sister Denise Layton was the Coos County Fair Queen in 1984 and 30 years later her daughter Kaitlyn. Her niece Amanda Ring was also a member of the Coos County Fair Court. The family tradition of horses and the county fair began generations before Rhonda's involvement. In the early years of the county fair, horse racing was a huge attraction. Glen and Winnie Barker, Rhonda's great grandparents were often winners of these races. Their horse Sir Ashton is still the reigning champion, since he won the race the last year that racing was held at the fair.

Rhonda has been very active in all 4H events at the fair. She has been a leader ever since she returned to the county after graduation from Oregon State University where she competed on the Equestrian Club and was Queen of the OSU Rodeo. She has been a leader of Burton Prairie Wrangler Horse Club for 40 years. For many of those years, she has been the president of the 4H Horse Leaders Association. With that title comes the duty of organizing all horse events for the fair including arranging judges, setting the schedules, ordering ribbons and awards, assigning horse stall locations and making sure all equipment is ready for each event and much, much more. In the evening during horse competition days at the fair, you can find Rhonda in the arena with those that are wanting help learning the patterns for the next day's events.

Due to Rhonda's extensive involvement with 4H horse projects and the Coos County Fair, she has gone on to have a very successful business as a horse trainer and has given hundreds of riding lessons to youth and adults. You might say horses are her life, but now, she is a grandmother, the horses have to share her love with 3 & ½ beautiful grandchildren.

Rhonda would like to thank every person who has helped with the horse program, there have been many. The horse program would not have happened with lots of help.

Coos County Fair & Rodeo Queen - Paige Speakman

Paige Speakman is our 2024 Coos County Fair and Rodeo Queen. She is the 18-year-old daughter of Aaron and Rebekah Speakman and the eldest of three sisters. She is a Southwestern Oregon Community College student but plans on continuing her education at Oregon State University. Paige is a member of the Hauser Dune Riders Horse 4H club as well as a member of Twin Oaks Livestock 4H club. She enjoys working and showing her show lambs in jackpot shows and at the county fair. Paige loves working with her 8-year-old mare Harper and is excited to participate in parades, rodeos, and more American Paint Horse shows over the years! She has qualified for the state competition for 4H horse judging, hippology, horse bowl, and a public speaking contest. The highlight of her day is playing with her dog Olive and riding horses with her best friend. When she is not with her animals, she loves hunting, fishing, and spending time with her family. She enjoys advancing her public speaking skills, improving her horsemanship, and drinking Arnold Palmers with her dad after a long day. Paige is very honored to represent the Coos County Fair and Rodeo as the 2024 Queen and hopes to educate, learn, and inspire throughout her year!

Coos County Fair & Rodeo Jr. Princess - Breanna Tolman

Breanna Tolman is the 14 year old daughter of Dan and Melanie Tolman of Bridge, Oregon. She has three older siblings: Rachel (2022 CCFnR Queen), Daniel, and Makaila (2023 Jr Princess). She just finished her eighth grade year at Bridge Christian School. She is a 5 year member of Myrtle Mount N Mounties 4-h horse club and Twin Oaks beef and dairy club. This year she is a member Myrtle Point FFA chapter. She enjoys riding and showing horses, showing cattle, playing basketball, going to church and spending time with family and friends. Her future plans are, at the moment, to survive high school. She rides many different horses but this year her horses are a black and white paint named Mister and a Bay Azteca mare named Penny. She is proud to represent Coos County Fair and Rodeo as this year's Jr Princess. She is enjoying meeting new people as she travels the state promoting the Coos County Fair and Rodeo at coronations, parades and rodeos. She hopes to see you all this year in the "Country Stands" and being awesome "Rodeo Fans" at this year's Coos County Fair and Rodeo!
